## Supporting Quotes

“Fleet Moves gives artists an opportunity to share their knowledge and talent while receiving extraordinary inspiration from working in Wellfleet,” said Zena Bibler, Co-founder of Fleet Moves. “Choreographed to the pulsing rhythms of the ocean, the sloping stage of the sand, and the flat expanses of beach lots, these unique performances are not to be missed.”

“Far too often our daily lives involve hustling to the next commitment while paying more attention to our mobile phone than the world around us,” said Katie Schetlick, Co-founder of Fleet Moves. “Fleet Moves Dance Festival uses dance to encourage attendees to slow down and engage with the awe-inspiring physical surroundings here in Wellfleet.”

“I celebrated the opportunity to be in Wellfleet last summer for Fleet Moves,” said Anne Fayen, Cape Cod resident. “With a wonderful air of spontaneity, dance was happening everywhere; emerging from the wild landscape and the bustling town. For the days and nights of the festival, dance was liberated from its usual confines and enlivened Wellfleet.”

“The inventiveness, freshness and inclusiveness of their approach won enthusiastic fans among locals and visitors alike... a great season-opener,” said Harriet Jerusha Korim, Cape Cod Resident.
